

Barocco sempre giovane

Barocco sempre giovane (Baroque Still Young) is a chamber ensemble consisting of top young professional musicians. It specializes in baroque music. It performs, however, other styles, too. The ensemble was founded in 2004.

The ensemble has already performed at hundreds of significant concerts and is regularly invited to music festivals both in the Czech Republic and abroad (Pražské jaro, Mezinárodní hudební festival Brno, The Ohrid Summer Festival, Festival Mitte Europa, Festival Concentus Moraviae, Mladé pódium, Svátky hudby v Praze, Nitrianska hudobna jar, Le Quattro Stagioni, IMusicFest of George Lobkowitz, Podblanický podzim, Theatrum Kuks, Čarovné tóny Macochy, Klášterní hudební slavnosti atd.). Our concerts have been broadcast live on various TV or radio stations: Česká televize, Televize Noe, Český rozhlas. We make recordings and organize our own abonent concert cycles.

Barocco sempre giovane cooperates with renowned soloists as well as with a number of outstanding young performers.
